Material Safety Data Sheet

Emergency Telephone: 1-800-828-9528 at Buffalo, Mo USA				
Identification: Concrete Remedy	Hazard Rating			
Internal Deep Seal	4 – Extreme	Fire	0	
·	3 – High	Health	1	
Product Code:	2 – Moderate	Reactivity	0	
DS	1 – Slight 0 – Insignificant	Special Hazard	0	

Chemical Identity Information

Proprietary mixture containing silicates, bonding catalysts and inerts. This product is not considered to be or to contain hazardous chemicals based on evaluations made by our company under the OSHA Hazard Communication Standard, 29 CFR 1910.1200

Physical Data				
Appearance: Odor: Boiling point: Vapor Pressure:	Clear Liquid None 212 degrees F. Unknown	Solubility in water: Specific Gravity: PH (1% solution)	Complete 1.094 8.96	
	Fire and	d Explosion Data		
	i ii c aii	a Explosion Data		

Non Flammable -	Does not flash

Flammability: N/A
Extinguishing Media: N/A
Unusual Fire or Explosion Hazard: N/A

Flash Point:

Health Hazard Data Contains no hazardous materials as defined by OSHA and ACGIH.

Eye(s): May cause irritation and redness.

Skin: May cause redness.

Ingestion: Non-Toxic, may cause Gastro-Intestinal

problem.

Transport Information

DOT UN Status: This material is not regulated hazardous material for transportation

Material Safety Data Sheet

Emergency and First Aid Procedures

Eye Contact: Flush with cool clean running water for at least 15 minutes. If irritation

persists, get medical attention.

Skin Contact: Flush exposed area with clean, running water for at least 15 minutes. If

irritation persists, get medical attention.

Ingestion: Do not induce vomiting. Dilute with large amounts of water and weak

vinegar or orange juice. Get medical attention immediately.

Special Protection Information

Protective Gloves: Rubber gloves recommended

Eye Protection: Goggles recommended

Respiratory Protection: None

Local Exhaust: Good ventilation

Other Equipment: None

Reactivity Data

Incompatible Materials: Do not mix with other chemicals

Stability: Stable

Will not occur

Hazardous Polymerization: Will not Hazardous Decomposition: None

Spill or Leak Procedures

With small spills or leaks use absorbent material such as sawdust, vermiculite or sand. Larger spills dilute with large amounts of water, before flushing to sewer or drain according to local, state and/or federal regulations.

Special Information

Keep container closed when not in use. Store away from heat and do not freeze. Keep out of reach of children.

The information contained herein is, to the best of our knowledge and belief, accurate. However, since the conditions of handling and use are beyond our control, we make no guarantee of results, and accept no liability for damages incurred by use of this material. It is the responsibility of the user to comply with all applicable federal and local laws. All chemicals may present unknown health hazards and should be used with caution.
